The Legislative Office presented to Council and community members the new electronic Tribal Code at a Council Working Session on November 18, 2019.

The Tribal Code and Pueblo’s laws are available to view at law.sanipueblo.org or on the Pueblo’s website sanipueblo.org with the available link called “laws.” The Legislative Office has been dedicated to accomplishing the electronic codification of the Pueblo’s laws and Tribal Code over the past year and are pleased that it is now online and accessible to the community for information and research.

Mr. Adam Muller, PVS Board Member Elect, thanked Governor Perry Martinez and the Tribal Council for their support and encouragement in the Pojoaque Valley School Board Elections that took place on November 5, 2019. Mr. Muller is the only Native American Board Member and the Pueblo is proud that he will advocate for the well being of our Native students. Mr. Muller has vowed to establish a positive working relationship with the Pueblo and keep communication regarding issues, concerns and the success of our students.

We wish Mr. Muller blessings and success!
Greetings!

I would like to take this opportunity to Thank the entire Pueblo for your support during the November 5, 2019 School Board Election. Without all of your support, words of encouragement and most importantly your vote, I would not have been able to be successful in my endeavors to become a Pojoaque School Board member. As a Tribal Member from Nambe Pueblo, I am proud to represent our children and their needs as a member of the Pojoaque School Board of Education.

I welcome all of you to reach out to me with your concerns, questions and suggestions. Thank you again!

Sincerely,

Adam Edward Muller

Climate Change impacts – such as increased temperatures, drought, extreme wildfires and floods – could adversely affect the Pueblo de San Ildefonso community. The Pueblo is developing a Climate Action Plan to address and manage climate impacts.

Please join us!

We are holding a community forum to review the findings from the Climate Action Plan, including:

- **Climate impacts** that may affect the Pueblo
- Key aspects of Pueblo community life that may be **vulnerable** to those impacts
- **Actions we can take** to reduce those impacts.
