**NOTICE**  
**THANKSGIVING HOLIDAY ACTIVITIES**

Dear Community Members:

I hope that you and your families are staying safe and healthy during this difficult time, and with the recent COVID-19 case identified in the community. I know that all of you are making sacrifices and changes to your routines in order to protect yourself, your family members and our community at-large. We are all getting used to washing our hands frequently and using hand-sanitizer, wearing masks, and staying 6 feet apart. We are also unfortunately getting used to changes in our holiday activities because of the continued threat of COVID-19 cases and the potential impact of COVID-19 to the Pueblo, particularly for our elderly and vulnerable members. It is for that reason that I am imposing the following limitations on the Thanksgiving holiday.

**THANKSGIVING ACTIVITIES:**

1. All activities must be done within each household with immediate family members. There will be no community gatherings.
2. Community members cannot visit other households or homes of family members to share a Thanksgiving meal. We want to discourage family members coming into the pueblo during the Thanksgiving Holiday.

I know that these sacrifices seem difficult but these are things that we all need to do for our Pueblo and keep people safe in the long run during this COVID-19 pandemic. I appreciate your cooperation with these limitations. Please contact the Governor's Office at (505) 455-2273 if you have any questions.
